## A Dream of Tomorrow

---

We will feature two major works from young, emerging master composers of the 21st Century. Virtuoso Soprano **Lori Schulman** returns to solo in Christopher Cerrone's *The Pieces That Fall to Earth*. Cerrone is a young winner of both the Pulitzer Prize and the Rome Prize (formerly the Prix de Rome).

We are then joined, once again, by the accomplished vocal ensemble **Cantiamo! Cabrillo** to perform Jocelyn Hagen's *The Notebooks of Leonardo de Vinci*. *Notebooks* is a revolutionary new multi-media work rapidly gaining international fame. It will be conducted by **Maestra Cheryl Anderson**.

*Come hear this exciting piece,  
which we will be taking to Carnegie Hall in April!*
